
Elasto Mania V.1.11a Full Version Extra Pack 419 Levels UPD

Elasto Mania V.1.11a Full Version Extra Pack 419 Levels is a great option for those who like unusual arcade games that have a lot of bonuses, but they still have to be found. This is a toy in which you must find all the bonuses, but for this you will need to show all your powers of observation. In this game, you will play as a racer who gets one of four levels at the beginning of the game. After you pass the first level, the second, third and fourth will open before you. You will be given a simple control, but for that it is very interesting.
