A sturdily built fantasy action RPG in the Lands Between, where the Goddess of Rebirth created nine separate worlds. The 13th of the Elder Gods arrives in the Lands Between to collect the Immortals of the past and the future. In this land, the light and dark compete for authority. The history of the Lands Between begins at the climax of the battle for the Immortality of the Elder Gods. Bravo, Tarnished, answer the call of the Elder Gods to protect the Immortality of the Elder Gods. ▼ Features

1. From Fields to Dungeons Many fields, many dungeons, and a variety of content await you in the multilayered world. • Different World Designs for Each Game Stage Many countries and world maps are ready to come. - Elder, NIS America (\$7.99) Gaming: Of Swords, Sorcerers, and Magic. It seems fitting that for this review on **Abadango**, the retro rogue action RPG **Elder**, should be our first choice, with the action RPG genre being so well represented in recent years by the likes of **Dragon Quest IX** and **Okami**. Back in the ninth century after the Elden and darkness, a druid's daughter is awakened by the ancient scion Altheta, one of the great divinities, and discovers the extent to which the goddess is deeply bonded and connected to the world of our mortal human existence, her true identity. As they

explore and try to live a peaceful life together, the goddess slowly reveals a horrifying secret—a warlord has awoken the darkness, and it is ravaging the land.

In order for Elder to be successful, it needed to beat the expectations set by previous RPG "imitators," many of whom have failed at creating such a game. First of all, let me just say that Elder is different from the other RPG games. I have to admit, I've been an RPG buff for many years, but I have never once played an RPG game in which the perspective was tossed between characters and that kind of view never felt right.

In Elder, the perspective is entirely the character's. Of course, the character's ability to see the world works in conjunction with the parts of the game that don't, such as the use of light to navigate the world and other

The Elden Ring is a Fantasy Action RPG game developed by Vanillaware for smartphones in the Japanese market. Review: As for the topic, the title of the game is a bit long, so I'm going to give you a summary of some of the good things of this game before delving into the story. For a beginning, the game is quite easy to pick up, with a minimum of character management or complex lessons being required. It is thus great for beginners. I am going to detail on this later, but it is an excellent character creator that allows you to freely craft your own character. There are many items available from the start, so there are no difficult conversations at the start. It's also full of verticality, such as climbing up, climbing down, and other climbing-like activities. It is an action game, where many combos are made from hand-to-hand combat. Simple fun combat, with an emphasis on the joy of playing. There is a boost effect in the combat, such as wind, fire, and other boosts. The animation of the combat is fluid and simple. There are many abilities that you can equip for your character, and there are a variety of items available from the start. YOU ARE A TARNISHED ELDER, LEADER, OR DUNGEON EXPERT. With the help of your fellow Elden Lords, you bring the belief of the Ordein, a powerful artifact of ancient Elden glory, to the lands below. The Ordein will give you extraordinary strength, but it also harbors a curse that will transform you into a Tarnished Elder. YOU CHOOSE YOUR OWN PATH. Create your own character by customizing the appearance of your character, equipping items, and developing your skills. THE BOMBARDMENT OF ENEMIES AND MUTATIONS - Use special skills to attack your enemies and suffer the effects of their attacks! GO ON A JOURNEY TO THE LAND BELOW. Filled with a variety of places to explore and experience, the Lands Between are vast and mysterious. THE ADVENTURE NEVER STOPS! You'll get to know Elden Lords, meet new characters, and encounter numerous threats throughout your journey. The only rule: be wary! BREATHE FREE IN THE FAIRY-TALE WORLD OF ELDREN. "Wake up in a different world." The Lands Between consists of a three-dimensional, gorgeous world. Using your imagination and senses, you will be transported to a different reality that will give you a new perspective on the world, leading to an enriching experience. HIGHLIGHTS Game Story In the Lands Between, the highest-class Elden Lords are a group of people that exist between fantasy and reality. Many high-class Elden Lords are experts in the Elden Arts and believe in the power of the Ordein. However, some Elden Lords are lower class, sharing weaknesses and interesting stories that are not common in the real world. Beware. The Ordein's curse will transform the life of any Elden Lord who possesses the Ordein. The strong and charismatic Elden Lord who wielded the Ordein, Morga, was cursed to be a Tarnished Elder, and the Ordein's curse wrought havoc on the entire Ordein Guild. The Lands Between is a fantasy-themed action RPG that was first released for PlayStation®4 on September 18, 2019. ◆◆▲🔮

1. Field of the Invention The present invention relates generally to an apparatus for automatically assembling a cam-to-cam linkage between a camshaft and a cam-to-cam shaft. The invention relates more specifically to an apparatus for automatically assembling the cam-to-cam linkage while simultaneously applying tensioning force to the camshaft to maintain the components in a desired configuration during and after assembly.

2. Description of the Prior Art It is well known to provide a cam-to-cam linkage between a camshaft and a cam-to-cam shaft. The camshaft extends through the cam-to-cam shaft in such a manner as to provide for the rotation of the cam-to-cam shaft about the axis of the cam-to-cam shaft when rotated by the camshaft. In many applications, it is desirable to provide a mechanism to maintain the camshaft and the cam-to-cam shaft in a desired configuration while in a partial assembled form. A common method to achieve this is to apply a predetermined pre-tension to the camshaft. Various forms of cam-to-cam shaft assemblies are known. Such cam-to-cam shaft assemblies may
