The designation of Israel as a sovereign nation within sovereign nations is no longer considered a mere question of diplomatic affairs. It is an existing reality that nobody can ignore. The crisis around the world is due in a large part to the failure of the NGOs, the agencies that provide services or are the platforms for communication, to see Israel-Palestine as a real issue that has to be dealt with. Israel-Palestine is an issue that is not solely Palestinian, but is a non-issue, except to the extent that the struggle against Israel is a struggle against all Israelis. But except for this extent,

Sometimes this error (or violation) might be as minor as an overstatement of net income, or as severe as accounting fraud. OSR enforcement history The first official scandal resolution was initiated by the SEC in 1997, when the SEC filed and obtained a court order enjoining Barrick Gold Corporation to terminate any activities that would impair its ability to timely and accurately prepare its income statement and balance sheet. The order resulted from an accounting error in which Barrick, unaware of some of its sources of cash, failed to recognize \$4 million in assets. In 2001, Securities Exchange Act Rule 15g
